Language, Culture and Sports Trip

Minimum number of pupils: 30

Maximum number of pupils: 48

Since Dorothée created the International Bilingual School (EPBI) 34 years ago, our international school trips have always been a highlight of the school year. Unfortunately COVID-19 interrupted our plans. However we managed to organise two school trips in April (to The American Village in France) and in May 2022. We are going to carry on this tradition for our future CE1 and CE2 pupils at the beginning of the next school year 2022-2023 with a trip to The British Village.

EPBI has organised a new school trip for our future primary school pupils in CE1 and CE2 2022-2023, at The British Village at the Domaine de Damian, Vesc in the Drôme. Our pupils will be speaking and working in English the whole week. They will discover British culture via fun English classes, recreational activities, informal discussions at break and lunch times with the native English-speaking teachers on the site.

Every morning there will be English classes, followed by recreational and fun activities in the afternoon. These will be mainly cultural, sport or art workshops so there will be something for everyone! In order to satisfy the children’s curiosity, all the professional English-speaking teachers will use their imagination to offer fun learning activities through group work fostering team spirit.

All lessons and activities will be adapted to the level and age of the pupils and managed by a team of English-speaking professionals.

The school trip will take place from Monday 17th October to Friday 21st October 2022
We will travel by bus (2 hours)
